

IRISH TERRIER CLUB OF AMERICA

NEWSLETTER

8-10-59

From original in the University
of Vermont Library. May not be
reproduced without permission.

Dear Members:

The Show Committee for the 1960 Irish Terrier Club of America Specialty Show, consisting of: Mrs. M. Carter Hall, Chairman Michael Gately, Ed Ryan, Ed O'Keefe, and Nancy Parkes, has designated this show as a memorial to our late president, Thomas H. Mullins.

In an effort to make this coming show -- to be held in New York City, February 7, 1960 -- one of the most successful in recent years, the committee urges all members to make an extra effort to bring out a large entry of Irish Terriers, from every part of the country and Canada.

The committee also strongly urges the membership to support the trophy list in order to make the 1960 Thomas H. Mullins Memorial Show a real tribute to Mr. Mullins, who has contributed so much to the club and the breed over so many, many years.

Mrs. M. Carter Hall, Chairman

The dates of the Fall Shows are nearing and so you are strongly urged to get your entries for the show to your superintendent, on time. The dead-line dates for entries in the New York area for the Westchester and Westbury Shows are August 18th and September 15th, respectively. These two shows are very attractive, and the promise of a large entry looks favorable.

In other parts of the country, watch for the closing dates of the shows which are held in your area.

Puppy entries for outdoor shows should be encouraged, to get them acquainted with crowds and handling as well as ring performance; this will help in preparation for the indoor shows, where the show ring and benching areas are smaller and overcrowded, where the inexperienced puppy is easily thrown off performance and ring manners.

Most judges prefer a large entry of puppies, for the reason that in a large entry is next year's champion, and most likely some novice exhibitor is the proud owner of the new champion.

May I remind you to co-operate with any exhibitor who may approach you on the question of more entries at the shows in effort to develop young stock and more new exhibitors, which is important for the success of the 1960 Specialty Show, which your President, Mrs. M. Carter Hall, and the Memorial Committee are so earnestly requesting your co-operation and support at the beginning of this issue of the NEWSLETTER.

If you have puppies ready for purchasers, please notify me, so that I may put it in the Bulletin and answer to inquiries for available puppies in your area.

Please make sure that your dues for the membership year 1959 are paid, as we want to keep up-to-date our membership list. Each year we lose members, due to death, inactivity in the show ring, breeding, and various other reasons.
