NEWSLETTER

NOVEMBER, 1984

PRESIDENT'S COLUMN

Are you interested in learning more about the Irish Terrier?

Would you like to pick the brains of those Irish Terrier breeders who have been breeding for 20 + years?

Would you like to see 35 to 50 Irish Terriers passed on by three different judges on three consecutive days?

Would you like some great fellowship with Irish Terrier lovers from throughout the entire United States?

You can accomplish all of the above by attending the Montgomery County week-end and the Irish Terrier Club of America's annual meeting October 4, 5, and 6, 1985. I believe that it is especially important for those just starting out in Irish to attend this week-end. Our first one was 1969 and I haven't missed one since.

This year was again just fantastic! We had 35 Irish at Hatboro on Friday, 45 at Devon on Saturday, and 54 Irish entered at the Specialty on Sunday. In addition, one will always retain memories of the fellowship, the hospitality, and those good ole Irish parties.

There were about 70 of our 300 members there. Plan now to attend the 1985 meeting and not only will you see the '85 judging, but also this year's Specialty on video tape.

Our thanks to those who put in many hours of effort to make this such a great week-end.

Robert C. Peters
President

From Isabelle O'Connor -

Do you have drawing #46? The number 46 was drawn at the Annual Meeting as the winner of the prize in the "Health of the Dog Study" but nobody has claimed it! If the owner of #46 will get in touch with me, he or she will promptly receive a check for fifteen dollars, the cost of their 1985 ITCA dues.

SECRETARY'S REPORT

When I joined the ITCA in 1969 the secretary was directly responsible not only for the routine day-to-day secretarial duties, but also for writing and editing the newsletter and all puppy referral correspondence. (Some even managed to groom and show their own dogs!) The Club has grown and the secretary's duties have also increased. I am very grateful that I can depend on several people who help make this job manageable. My thanks go to Martha Salem for her terrific work as Newsletter editor and to Mary Jane Oudendyk for her work as puppy referral coordinator (if my mail is any indication, she is kept very busy). Also, many thanks to outgoing president Joe Sayres who has guided the Club for the past three years. Joe has kept the Club business moving along smoothly, and it is greatly appreciated. Finally, a big thank you to Nancy Hetzel who stepped in at the last minute to take minutes at the annual meeting and Board meetings when I wasn't able to attend.

The ITCA now has 320 members which includes 6 junior members. The membership seems to be holding well above the 300 member level.

There is no additional business to report, since each Newsletter carries the secretarial report. I am looking forward to another goodyear as secretary.

Marie Johnson, Secretary

MESSAGE FROM MARTHA -

Sixty-eight of our Irish Terriers will be pleased to receive their very own name-engraved Christmas ornaments this year! I thank everyone who supported this effort to benefit ITCA, from which the Treasury has received the profits - - \$157.90. I promise to mail them to all who ordered, just as soon as I receive them!

ANNUAL MEETING
IRISH TERRIER CLUB OF AMERICA
Saturday, October 6, 1984
Willow Grove, PA

The Annual meeting of the general membership of the Irish Terrier Club of America was convened by President Joseph P. Sayres at 6:30 P.M. The minutes of the 1983 meeting which appeared in the Newsletter were accepted as published. The Roll Call of the membership was dispensed with in the absence of the secretary, Marie Johnson, and instead members present signed in on sheets at the door and made name tags for themselves. If the count is correct, 63 ITCA members were present for the evening festivities as well as 17 guests.

The President called for a moment of silence in the memory of deceased members of the ITCA, especially Ed Chojnowski who will be honored by tomorrow's show.

The meeting was adjourned for social hour and dinner, raffle festivities, etc., and was reconvened at 10:25 P.M. The Treasurer Jeanene MacDonald mentioned several highlights of her financial report (which all would read in the Newsletter) such as the fact that the dues increase and increased Club membership had boosted the treasury; the breed book was paid for by advance sales before being published, to date there has been a profit of \$4070 with a potential of \$8000 more when the remaining stock is sold. Trophy solicitation resulted in \$1590, allotted 30% to February and Traveling and 40% to Montgomery trophies. Jeanene stressed that a lot of good catalogue advertising was essential to the success of our specialties.

AKC and Associated Terriers Delegate Mary Gately reported again that the AKC is still in the process of trying to change some of the group designations, but is having trouble because people do not want to change (how about the dogs?). She said that the Associated Terriers Specialty in February, one of the oldest shows in the country, is having problems this year because of the time proximity to the AKC Centennial. John Marvin was still trying to work out where and how many breeds would be involved if the show takes place. There is a possibility that there will be no Specialty in February, 1985.

Martha Salem, Newsletter Editor, thanked everyone who had supported her efforts by sending material, noting that she welcomes all of it, and needs it by the 15th of the month before the Newsletter is published. Martha does need someone to print it, as the Riveras can no longer do this job, as has been explained.

Mary Jane Oudendyk reported as Puppy Referral Coordinator that inquiries come from all areas of the country and that the work is "daily."

There was a standing ovation signaling great appreciation for Ellis West as editor of our excellent new Breed Book. Ellis in accepting praise assured any critics that they would be certain to have the job of the next ITCA Breed Book! Ellis formally thanked all who worked on the 1983 Breed Book project, singling out especially the contributions of John Best, George Kidd and Joe Sayres.

Charles Ritter reported on the success of our Specialty shows during 1984 thanking the committee members by name for all their excellent work.

Sue Griffiths reported for the Chicago Club, mentioning their annual specialty in June. In 1985 the judge will be Lydia Coleman Hutchinson; Pat Kostal is trophy chairman. The ITCA Traveling Specialty will be hosted by the Chicago Club in 1985. Rosemarie Kubacki reported for the New York Club, thanking the members for their good efforts during the year, all 80 of them. She mentioned their monthly newsletter, the Newschain, as well as the success of their annual specialty at Westbury last week. There was an entry of 31 and Pat Peters judged the sweeps. Mary O'Brien reported for the Northern California Club of 50 members. She mentioned the all terrier show in Sacramento in the spring and with two specialties scheduled for the coming year, they hoped to have a "Montgomery County of the West Coast." Linda Honey reported for the Southern California Club of 42 members. They had an owner-handler show in January, their own Specialty in June with an entry of 26 and hosted the Traveling Specialty the following day, June 23, with an entry of 30 Irish, Rocky Stone judging Sweeps and Keith Lovell from Australia judging the classes. Jim Wilson reported for the Greater Detroit Club saying that in spite of not formal recognition from AKC as yet, the Club continues to hold matches, the members continue to breed champion Irish Terriers, and there is great friendship and "esprit de Corps" among the members. There was no report from New Jersey.

Linda Honey presented the annual ITCA awards and medallions for new champions of the past year. Details will appear in the Newsletter.

Isabelle O'Connor reported on her Health of the Dog Committee, saying that 237 questionnaires had been sent out and to date 140 had been returned, 90 from new members since 1980. She mentioned specific problems that seemed to be of most concern: temperament, poor bites, ear and coat problems. Joe Sayres stated that the work will be on-going and it is hoped that some meaningful conclusions will result.

Joe Sayres reported for the Judges' Education Committee that the AKC slide show presentation was nearly completed, fortunately, and that there had been a lot of hard work and frustration.

Out-going President Joseph Sayres announced that there had been no additional nominations to the slate proposed by our Nominating Committee, so that the Secretary would cast a single ballot electing the names as presented.

New President Robert C. Peters took over the podium. He praised the work of Joe Sayres as ITCA President over the past three years saying that a lot of people do a lot of work in the Club, but that Joe would be a particularly "tough act to follow," that Joe had been an excellent "mediator, negotiator, a real leader," and that he had "famed a group of Irish!" Bob then presented Joe with an engraved gavel commemorating his years in office.

The meeting was adjourned.

Nancy Hetzel
Acting Secretary

IRISH TERRIER CLUB OF AMERICA
MINUTES OF THE MEETING OF THE BOARD OF GOVERNORS

WILLOW GROVE, PENNSYLVANIA
Saturday, October 6, 1984

The annual meeting of the Board of Governors of the Irish Terrier Club of America was called to order shortly after 9:00A.M. by President Joseph P. Sayres. In addition to the President, Board members present were Phyllis Kendrick, Jeanene MacDonald, Mary Roberts, Edna Sillavan, Ellis West, and Nancy Hetzel, who also served as secretary, as Marie Johnson was unable to be present. Prospective ITCA President Bob Peters and prospective Board member Diana Martin were also present.

This meeting had been scheduled for 1:30 P.M., but was changed on a couple of days' notice to accommodate the unexpected afternoon judging of Irish at the Devon Show. Therefore, several Board members were unable to change travel plans in order to attend this meeting. At approximately 9:45 Betty Gillespie Clark and June Gately Kennedy arrived to complete a quorum. Mary Gately, AKC and Associated Terriers Delegate, also joined the meeting. At this time President Joe Sayres reviewed the items already discussed.

The first special report was the financial statement by Treasurer Jeanene MacDonald. (This will appear in the Newsletter). Jeanene stated that the Club is in good financial condition, but care is needed to keep it this way. The cash ending balance of \$7,243.22 is mainly due to the raise in dues, the good response in trophy donations and the revenue from the 1983 Breed Book. She mentioned that the response to the trophy solicitation allowed us to allocate some funds elsewhere, if necessary. (We later learned that June and Frank Kennedy had purchased about \$800 worth of lovely silver trophies for the Montgomery show for about \$350 by driving up to Wallingford, CT, and buying "left-over" pieces of International Silver, as the company had gone out of business. Kudos to the Kennedys! Jeanene's presentation of the costs of the three Specialty shows indicated that the February show was holding its own and actually showed a profit in 1984. Jeanene stressed that the Specialty advertising chairmen must really push for advertising support, as that could "make or break" a show financially. It was agreed that the ITCA would continue to hold the three specialties.

With regard to the increased price of the Dog World ad, Ellis West said that he has run his own line ads in the back of the magazine and that people in responding to them say they did not see the ITCA display ad. Ellis suggested that we discontinue the display ad and try a line ad in Dog World's back pages for one year and then assess the results. This was agreed upon, Ellis to formulate the new line ad. After some discussion of our advertising the 1970 Breed Book for \$1, but pushing the 1983 Breed book, Diana Martin suggested that we advertise only the 1983 issue and give each buyer a copy of the 1970 book as long as they last. This suggestion met with great approval! Jeanene's report shows that there are nearly 800 copies of the 1983 Breed book in inventory, giving us a potential additional profit of approximately \$8000.

Joe expressed the feelings of the Board in general when he stated, "Jeanene has done one Hell of a job," and Jeanene graciously gave credit to her husband Alan for helping to set up her books.

With regard to reviewing procedures for selecting Specialty and Sweeps judges, Joe Sayres said that everything seems to be working well. He mentioned that the Traveling Specialty committees seem to prefer to select their own Sweeps judges and that seems to be all right, but they still have to go by the Sweepstakes Guidelines.

Joe said he had talked with Gary Hammer about the continuation of his pedigree project and that Gary still does plan to do more work, but has been too busy with other things up to now. Jeanene mentioned that there are no more copies left for sale from the original printing, and Edna Sillavan said she would be able to make additional copies for sale as needed. Perhaps she will do ten, as a start.

The Board had already received copies of the AKC Judges' Educational Committee report. Joe said that the AKC had trouble adjusting to our specific needs, as "we are a relatively small breed." However, an appointment had been set up for one dog to be photographed by an AKC photographer on Monday, and Charles Ritter had hopes of arranging for more. "And this will be it," according to Joe. It was agreed that the ITCA Board will approve the AKC slide show in its final form. There was a lot of discussion concerning putting our own package, slides or tape, together. AKC had complained that the quality of photographs of dogs sent in by owners had not been good enough. Edna said she has the complete tape of the Westminster class from 1982. Bob Peters suggested that a tape from one show (Montgomery 1984 was going to be taped) would no doubt show enough good--and bad!--points, so that it could be reviewed and commented upon by half dozen knowledgeable Irish Terrier fanciers and presented to educate judges.

In the absence of Charles Ritter, Ellis said that Charles wished to continue as General Trophy Chairman and had approached Gail Demaine for the job of Specialty Show Coordinator. This would, of course, meet with warm approval from the Board!

Mary Gately had nothing new to report on from the AKC. However, there is a question regarding the February 1985 Specialty, as several of the terrier clubs have decided that the AKC Centennial show would take its place as far as they are concerned, so have pulled out of plans for February. There may not be enough clubs still involved to make the show possible.

Regarding the Newsletter, Martha Salem wishes to remain as Editor, but the Riveras are unable to continue their excellent and much appreciated work of printing, collating, and mailing because of their move. A plea for a volunteer for this job has been made. The cost of the professional printing of the last issue nearly doubled the cost of the issue, so this will not be feasible in the long term. Edna suggested that she might be able to help with this once again, as she may have access to a machine that would make the job much easier than before.

The first item of unfinished business concerned the location of the 1986 Traveling Specialty. Two areas discussed were northern California and Detroit.

President Joe Sayres said that John Best had not as yet up-dated the codification of Board's actions and policies for the past two years. Diana Martin has taken over the chairmanship of the History Committee from Marion Honey and has good ideas for bringing it up to date, which she is working on.

With the arrival of the two members to make the quorum, Ellis West moved that the Treasurer's report be accepted and it was seconded and passed. Ellis further moved, it as seconded and passed, that we end this part of the meeting at 10:30 A.M. in order to prepare for the Devon show.

After review of previous discussion for the benefit of newly arrived Board members, there was discussion of Bob Peter's ideas to shorten Board meeting, previously received by the members. Ellis suggested that we adopt the "self-disciplining approach" in reality, but also moved that we accept Bob's good ideas. This was seconded and approved. The Guidelines will appear in the Newsletter. Mary Gately suggested that it would be good to allot more time to the general membership meetings.

As for video taping of our Specialties, this will be done tomorrow (Montgomery, 1984) and Joe repeated that as far as judges' education is concerned the Club probably could do a good job of working up material on its own.

The appointments approved were:

Delegate, Associated Terrier Clubs:	Mary Gately
Puppy Referral Service:	Mary Jane Oudendyk
Newsletter Editor:	Martha Salem
Computer of points, annual awards:	Jim Thomas
Specialty Show Coordinator:	Gail Demaine
Trophy Fund Chairman:	Charles Ritter
Nominating Committee:	
Jim Kelley, Chairman	
Jim Reed	
Karen Worth	
Charles Ritter, Martha Salem, alternates	

The idea was put forth that last year's alternates be appointed to serve the following year, assuming they had not served, and this was met with general approval.

Judicial Selection Committee:

Marion Honey, Chairman
Tom Durrett
Jean Hall

The outgoing committee of Cory Rivera, Chairman; Barbara Hofman and Steve Sundheimer have selected as follows:

February, 1985: Jim Kelley
October, 1985: Ric Chashoudian
Chicago (Traveling): Elaine Young

February, 1986: Joe Tacker
October, 1986: John Cole
Traveling, 1986: Grace Brewin

President Joe Sayres next reviewed the preliminary report of the Health of the Dog (Irish Terrier) Committee as received from Chairman Isabelle O'Connor. 237 questionnaires had been sent out to ITCA Club members and 133 had been received back by the deadline date. 88 of these were from ITCA members since 1980. The Committee felt that a lot of new members may have problems. The general feeling of the Board was that specifics should be checked into before the data could be considered accurate and not merely subjective judgments. Ellis West suggested that a form might be set up on which current data, specific information on specific Irish Terriers could be recorded.

This session of the Annual Board meeting was adjourned here.

* * *

A late second session of the ITCA Board meeting was called to order by President Bob Peters at 11:50 P.M. Board members present were: Bob Peters and Joe Sayres, Betty Gillespie Clark, Sue Griffiths, Nancy Hetzel, Phyllis Kendrick, June Kennedy, Jeanene MacDonald, Diana Martin, Mary Roberts, Edna Sillavan, and Ellis West.

The business concerned appointments. If she is willing and able, the Board will appoint Gail Demaine Specialty Show Coordinator. Ellis West will take over as ITCA contact with the AKC Dog Museum. The Secretary shall so advise the AKC. Ellis will send Martha Salem the latest information for the Newsletter.

The Board needs to find out definite plans for the up-coming February Specialty, expenses, etc. Mary Gately will be our Show Chairman, if there is a Show.

Pat Kostal will be asked to be Show Chairman for the Traveling Specialty in Chicago, June, 1985.

Eleanor Hillegeist will be asked to Chair Montgomery, 1985. If she declines, the Kubackis will be asked to do the job. Betty Gillespie Clark will be Show Chairman for February, 1986.

The Board agreed to have our meetings and dinner at the Fiesta Motor Inn next October, despite the fact that the Board was being rather unceremoniously "kicked out" of the dining room at this late hour. Our chairs were being set up by an energetic crew for a function scheduled for the next day!

The Board meeting was adjourned!

My 1983 Montgomery County figures are incomplete as the past Treasurer's figures were incomplete due to change of officers.

These figures will not agree with the balance sheet because of adjustments from the Trophy and Judging Accounts.

Specialty Chairmen should try for more advertising support; the Trophy Allowance is the only reason all the shows are not in the red.

IRISH TERRIER CLUB OF AMERICA FINANCIAL REPORT

Dues and initiations brought in \$4609.50, generating about \$1500.00 more than last year, due to the raise in dues and a larger membership.

Breed Book revenues from advertising, donations, and pre-publication sales were excellent. The book was paid for prior to publication.

Income before publication	\$8330.00
Income after publication	<u>1234.00</u>
	\$9564.00

Publishing, storage, shipping and postage - \$5493.98

Total profit to date \$4070.02

There are 792 copies of the breed book in inventory, which gives us a potential additional profit of approximately \$8000.00

Trophy solicitation response was very good at \$1590.00. The fund was allotted 30%, 30% and 40% for the February, Traveling and Montgomery shows respectively.

Newsletter costs for the year were \$755.60. One issue needed professional printing which nearly doubled the cost of that issue. The other issues were printed and collated by Leonard and Cory Rivera, saving us approximately \$650.00. The club is in their debt.

Annual Trophy Awards plaques were purchased from a new source, reducing the price from around \$31.00 each to about \$18.50 each.

Championship Medallions-Fifty were purchased at the cost of \$754.50; nineteen on hand, for a total of sixty-nine. Approximately thirty to be awarded this year, so no purchase expenses expected in the next fiscal year.

Dog World Advertising started at \$33.00 per issue last year. Raised to \$35.00 in February 1984. Another increase to \$38.00 per issue to commence with the November issue, i.e. \$456.00 for the coming year.

On the whole, the club is in good condition financially, with a cash ending balance of \$7243.22, mainly due to the raise in dues, the good response in trophy donations and the revenue from the 1983 breed book.

The Irish Terrier Club of America - October 7, 1984

The Three Musketeers Margaret Lawrence

THE THREE MUSKETEERS

April, 1925

Dry point study of three Irish terriers, always characteristically ready for a fight or a frolic.

24 October 1984

Dear ITCA Members,

Thank you for asking me to judge the Irish Terrier Sweepstakes at Montgomery County. Going over the very nice entry of youngsters was a pleasure I will remember for a long time. I appreciated the way in which all exhibitors gave their fullest cooperation in the ring and also the good sportsmanship with which they received my decisions.

Thank you also for the fine pewter gifts which will serve as reminders of a most enjoyable day.

Last but not least, I would like to thank my hard-working stewards, Mr + Mrs Hetzel, for all of their help

Yours truly,
Jim Sybor

NEWS OF ITCA'S FEBRUARY SPECIALTY, 1985

Dear Members,

The February Specialty has become a longstanding tradition of ITCA. As Specialty Chairman, I ask you all to support this show, both with entries and with your advertising.

The Specialty will be held in conjunction with Associated Terriers on February 10 at the Dunn Sports Center in Elizabeth, NJ. Our Irish Terriers will be judged by James P. Kelley, an ITCA member and longtime breeder/exhibitor.

The deadline for receipt of advertising is December 10, 1984, so please put on your "thinking cap" and get busy with the wording of your ad! Mail your copy and a check (made out to ITCA) to:

Joan Hurley Groves
1635 Frank St.
Scotch Plains, NJ 07076
(201) 754-2912

Full page. . . \$30.
Half page. . . 20.
Quarter page . 10.
Booster . . . 4.
Photo charge . 5. (for each photo)

Our Trophy Chairman is Betty Clark, 209 West St., Harrison, NY 10528. (Whoever received the perpetual trophies at Montgomery, please send them to Betty.)

The next issue of this Newsletter will contain information ^{about} Hospitality arrangements from our Hospitality Chairman, Frank Kennedy, 1509 Rowland St., Bronx, NY 10461.

In advance, I thank you for your support of this Specialty.

Mary Gately, Chairman
1509 Rowland St.
Bronx, NY 10461
(212) 823-9036

Report of the "Health of the Dog Study"

A progress report on the early findings of the Health of the Dog Survey was presented to the Board of Governors of ITCA by retiring President Joseph Sayres, and a brief report to the members by Isabelle O'Connor.

Although I have not been officially notified of the Board's reaction at this time of writing, I understand their reaction was favorable and that the study is to be continued.

The breed was found to be in reasonably good health, although there exist a few problems which are to be further investigated. One hundred and forty-four persons returned their questionnaires. A good average from the two hundred and thirty-seven sent out to members. It was interesting to note that ninety-one were from members who had joined the Club since 1980. To persons asking for further information, you will be answered in one way or another as soon as plans can be worked out. I expect the Newsletter will be helpful in this respect, since it reaches all members. I am sorry not to go into detailed findings at this point because I am waiting for further direction from the Board of ITCA and the Advisory Board, but I will as soon as I can.

My personal thanks to all of you who so willingly shared in this project. It was a joy to meet many of you through your comments.

Isabelle M. O'Connor, Chairman
Health of the Dog Study

DOWN MEMORY LANE WITH JOHN BEST -

In our last two Newsletters, we have been entertained by John's anecdotes about our "old timers." Here are the last two from the letter that John sent me last May, but let's hope that he has been reminiscing lately and that he'll send me more:

"Many times in the late evening my phone would ring and when I answered, a soft voice would say, 'Shon,' to which I would reply, 'Hello, Ed.'

'Oh, you recognize the limerick brogue?' would come out of the phone and Ed O'Keefe would spend 20 minutes bringing me up-to-date on Irish Terrier matters in Chicago. His one extravagance was the telephone and it was always a pleasure to hear him. Frequently I would stand at ringside waiting to go in and the same voice from behind me would inquire, 'Phwat kind of dog is that?' A reply of 'a limerick terror' would produce a slap on the back and a squeeze of the hand from Ed."

"I remember the time Mike Gately showed me his brand new import and proudly announced that he had a 7- $\frac{1}{2}$ " head. I looked at the dog and asked Mike which way he measured it, lengthwise or crosswise, and felt that I had evened up to some extent with Mike for the time he looked at one of my dogs and said, 'If you stop hitting him over the head, maybe those bumps will go away.'"

AN UPDATE ON THE NEWSLETTER -

In the last issue, your Editor explained the dreadful expense that ITCA must lay out to have a Newsletter printed commercially. Our total cost for September was \$217-\$119.25 for printing, \$97.50 for postage. I made an earnest plea for some dedicated and willing member to step forward with an offer to spare or, at least, alleviate this cost. With great disappointment, I must tell you that we have been swept by an epidemic of leaden feet; nobody has "stepped forward!"

Once again, the club must pay for the printing of this issue. Multiply that figure by six issues a year, and you'll understand that the Newsletter would soon become an unsupportable annual outlay.

What is the solution? Should we elevate our dues again, and thereby lose some enthusiastic members? Or should the Newsletter become a quarterly, and thereby lose the opportunity to publicize our activities adequately throughout the year? Or should the Newsletter become a barely annual event, as it once was, so that we have no contact with one another and none of us knows what is going on, anywhere?

From the wonderful mail that I have received from so many of you in the past year-and-a-half, I like to think that our Newsletter is the instrument that ties us together in friendship and in our enthusiasm for our incomparable Irish Terriers. I should hate to see us lose that esprit de corps.

It may be that no volunteer has appeared because of reluctance to take on the time-consuming job of preparing the Newsletter for mailing. Let me tell you how time-consuming it is! Take a good look at the Issue which you now hold in your hands. It was printed and collated in "my" copy shop in Ventura. Somebody stapled the upper left corner. Somebody folded and stapled again. Somebody applied mailing labels, return address, and postage. Somebody did special, separate preparation for outside-the-U.S. mailing. Somebody spent 10 dreary hours, alone and unassisted, doing all of that, because the nearest ITCA member lives 85 miles away. The somebody who did all that work was your Editor, who had already spent countless hours assembling the Newsletter for print. (In my "real life," I attempt to teach English to 160 lively sophomores a day.... And you think Irish Terriers are devils?)

Your Secretary's annual report should have read, "Martha Salem is willing to continue..." (not "wishes to"). But I need help, with preparation for mailing, and ITCA needs help with printing! How about it, folks?

If we have not one single member who can print free, isn't there someone who can find an "el cheapo" printing service to reproduce my ready-to-print copy, and then gather 4 or 5 or 6 ITCA members for a cocktail hour production line? Together, you'd have great fun - - and finish the task in an hour or two! Please, let me hear from someone who is willing to assume this important job.

Now, for a moment, let me return to the September issue. I had just finished all staple, fold, and re-staple steps when a caller dropped in - Ruth Cudigan, of Rudigan Airedales. When she saw what I was struggling with, Ruth rolled up her sleeves, accepted a beer, and began pasting on labels and postage. Together, we finished the job before midnight, and I hauled the Newsletters to the P.O. the next morning. Let's hear it, folks, for an Airedale friend-in-need, who was a friend, indeed! Can our own membership do less?

FROM THE EDITOR'S MAILBOX -

George Kidd reports that the Lie-Nielsens grabbed his offer of a twenty-year collection of AKC Gazettes. Well, not exactly "grabbed" -- since piled one atop another, the stack would have been about 14 feet high! (You say they took them back to Maine in a U-Haul?)

Some time ago, Isabelle O'Connor caught my interest with her suggestion that the Newsletter should contain book reviews. In a recent ITCGD "Daredevil Messenger", there was a review of In Stitches Over Bitches, which I thought I might appropriate one of these days, since I don't seem to find time to write reviews. Meanwhile, I'll settle for other people's reactions to the things they've read →

A Dog's Life

I take exception to Stephanie Busch's assertion in (the book) "Men: An Owner's Manual" that some men make better pets than dogs ("How to Let Your Pet Man Think He's Top Dog" by Elizabeth Mehren, Oct. 12).

A dog is home every night. A dog is affectionate. A dog doesn't yell at you. A dog isn't a fussy eater. A dog doesn't wear any clothes you have to take care of. A dog is a good listener. You can choose to sleep with your dog or to sleep alone. Whatever you do, your dog will love you forever.

BARBARA SNADER
Los Angeles

The Irish Terrier Club of New Jersey always supports the entry at the Boardwalk Show in Atlantic City. This year, their club has established an annual trophy for Best of Opposite in memory of Walter Butterworth, to be awarded each year hereafter.

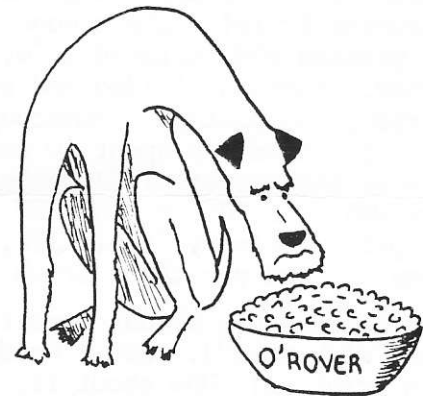

pet doctor BY ANNA P. CLARKE DVM

Q: My dog does not like dry food but will eat it if I add some meat-type canned food. Is it all right to do that, or does it upset the nutritional balance of the dry food? What other foods can be fed to supplement dry foods?
—M.B.

A: That is an important question. I checked with a number of canine nutrition experts in order to give you as accurate an answer as possible. Most dogs do seem to prefer meat-based food to cereal-based dry food. If both the foods you are feeding are complete and balanced dog foods, you can mix them, and the nutritional balance of either one should not be upset, no matter what proportions you use for mixing. One expert, however, described that statement as being too general and said that feeding a dog only one type of dry food and moistening or supplementing that one to increase palatability would ensure better nutritional balance. Most dogs prefer dry food that is moistened, and the suggested proportions are one part water to four parts of dry food. Such a procedure also encourages a dog to consume more of his food. Alternatively, milk can be used in the same proportion as water. If you introduce the milk into the pet's diet gradually, over a period of time, it will seldom cause diarrhea.

Other good supplements (per one pound of dry food) are not more than two teaspoonfuls of meat or chicken drippings or corn oil, or one ounce of liver. An egg makes an excellent supplement, but if added to the diet frequently, the egg should be cooked. When a dog is being fed any type of complete and balanced commercial dog food, additions to the diet of meat, table scraps or other foods not specifically formulated for dogs should never exceed 10% of the basic diet.
