PRESIDENT'S COLUMN

We are in a period now which surely will be red-tabbed in ITCA history for the surge of Irish Terriers into the Best-In Show category. For years an Irish Terrier Best-In-Show was a rarity. During the past quarter of a century, Ch. Wahoo Satellite won a BIS in 1958 and Ch. Green Starr's Gold Strike in 1964. It was 11 years before another Irish Terrier, Ch. Glannagalt Now Peace, was chosen BIS. However Irish Terrier Group placements had begun to increase, which could have been a tip-off as to what was to come. In 1979 Ch. Sunny's Pretty Queen took a BIS, followed by Ch. Blackacre Barrister and Ch. Rockledge's Mr. Morgan, and more recently, Ch. The Irishman's Mr. Rockledge and Ch. Rockledge's Mick Michael, the latter with four BIS, as of this writing.

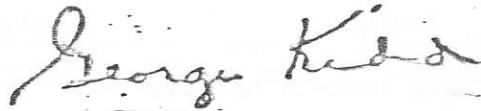

The reasons for this unusual surge in Irish Terrier show successes are not entirely clear to this observer, but the development is none-the-less gratifying.

What might be called the show of the century is coming up in 1984. The American Kennel Club is planning to commemorate its 100th anniversary by organizing a two-day dog show, benched, on November 17-18, 1984. The site will be Philadelphia where the AKC held its first meeting in 1884. You will be hearing more about this.

The French member of our Club, M. Jean Claude Bertoncelli, is an equestrian as well as a dog fancier, with a special interest in endurance. In a recent letter he wrote: "My dream is to participate in the TEVIS Cup Race ( a 100 mile 24 hour competition in California). Perhaps another member of ITCA also is interested in horses and could give me information about the TEVIS Cup Race." Should any reader be able to provide details of the TEVIS Cup please send them to M. Bertoncelli, address: Le Chatelan Varacieux, 38470 Vinay, France.

CAN YOU TELL ME WHY?, the editor

When I read the second paragraph of the President's Column, I thought to myself, "That's an easy answer. Just think how much more we know about genetics, grooming, and conditioning our dogs than ever before. Our better transportation, and then thinking of all my long hours of grooming, I Added the word dedecation to my list of easy reasons." On a later phone conversation with our President, I mentioned all this to him and quietly he shatters my reasons with, "But, Edna, all of this was done before." Thinking again--could it be that these Irish Terriers are better than those in the past. This I can not answer as I was not there to see our past great Irish.

CAN YOU TELL ME WHY?, continued

Not willing to give up, I offer one more suggestion, "Charisma", defined by Webster as "The gift of God's grace."

#### REPORT

Mary Roberts, in charge of ITCA's Puppy Referral Service, was asked by ITCA President to prepare a report on the present status of the Service. The following is Mrs. Roberts report, covering the seven months from October 1, 1980 to May 1, 1981.

The period of this report is October 1, 1980 to May 1, 1981. Unfortunately, I have not kept a record of phone calls of which there are several a week. I am doing so now.

Interest in the breed is growing as seen by the increase in the number of letters of inquiry.

October	4	January	8
November	8	February	13
December	5	March	30
		April	18

Total letters of inquiry received	86
Number of litters carried	25
Number of Breed Books ordered	46

Inquiries have been received from 29 states and Mexico, Norway and New Zealand.

Ohio	10	Michigan	3	Alabama	1
Pennsylvania	9	Maryland	2	Oklahoma	1

New York	7	Virginia	2	Montana	1
California	6	Wisconsin	2	New Mexico	1
Florida	6	Massachusetts	2	Illinois	1
North Carolina	4	Minnesota	2	Utah	1
Texas	5	Iowa	1	Mexico	1
New Jersey	4	Indiana	1	New Zealand	1
				Norway	1

Litters have been available in the following states.

California	Colorado	Washington
Pennsylvania	New York	Kansas
West Virginia	Rhode Island	Wisconsin
Oregon	Virginia	Iowa
Maine	Indiana	Michigan

A monthly report from breeders with litters has been most helpful in keeping the roster up to date. Most inquirers want to see puppies before they buy. I send a list of puppies available in their area. If there are none, I list breeders who may be having puppies in the future. I have to guess at this. It would be helpful to have a "Breeders List" of those expecting to have puppies throughout the year.

Occasionally, I receive letters from buyers or sellers informing me of results of referrals. I appreciate this and think it is helpful in evaluating the referral service.

I would estimate that over one fourth of the inquiries come through ITCA members. I feel these are more serious inquiries than many which come through the Dog World ad. There are not many requests for older dogs. I know of three that have been placed during the past six months.

Signed, Mary Roberts

Your Editor attended these shows and enjoyed every minute there. It was nice to meet the area Irish Terrier owners and to attend their club meeting. In some unexplained way both Linda Honey and myself became full members of The Irish Terrier Club of Chicago. All we thought we were doing was buying a beautiful trash can the Grayslake Terrier Association were selling. But quick to become useful members, we both joined in on the voting and seconding with other members. But all in all, I have to tell that my trip was somewhat disappointing. I left Louisiana in a hard down-pour of rain with the temperatur in the high 90, my heavy coat packed away for the 70 degree fair weather that I was promised. Much to my surprise, I stepped off the plane in Chicago with the same weather that I had hope to leave. Hot, Humid, and Rain. At these shows I had the great privilege of seeing four of the six Best In Show Irish Terriers. It brought tears to my eyes to see the nine year old Ch. Glannagalt Now Peace gait his way around the ring with the same spirit as years before when he won his Best In Show.

From the judge, Mrs. Tom Stevenson:

Dear Ms. Honey:

Please convey my thanks to your Board and Membership for the privilege of Judging your smashing entry of Irish at the Specialty Last Saturday. I have never seen in any ring anywhere at home or abroad such quality as there was there. It was indeed an honor.

BEST IN SHOW

By now I am sure all of you have heard about the two Irish Terriers which have won the honor of going Best In Show. These two dogs are infact full brothers and are bred by the Rockledge Kennel. They are, Ch. Rockledge's Mick Michael, owned by Linda Honey and Ch. The Irishman's Mr. Rockledge, owned by Edna Sillavan. Michael at this reporting now has four Best In Shows. A special congratulation to not only the proud owners of these to fine dogs but also to their breeder, Marion Honey.

LETTERS TO THE EDITOR

In our last Newsletter, I devoted the Editor's Column to Dr. Tortora's book on, The Right Dog For You. In this book the author had written very unfavorable comments about the Irish Terrier as a house pet. I requested that some of you write to this Doctor. Isabelle O'Connor did and here is his reply.

Dear Ms. O'Connor:

Thank you for your recent letter and comments regarding Irish Terriers. I was happy to read that you have experienced exceptions to the norm.

I will keep your name on file and will be happy to refer future Irish Terrier purchase requests to you, as I get occasional letters requesting this information.

The letter is signed Sincerely, Dr. Daniel F. Tortora

LETTER TO THE EDITOR, continued

The American Kennel Club's plans for a Centennial Dog Show celebrating the AKC 100th Anniversary has been announced. The location of the show will be Philadelphia, which is where the first meeting of the AKC was held in 1884. The show dates are November 17-18, 1984. This will be a two-day benched show, having three groups benched and judged on Saturday, and three groups on Sunday, followed by Best in Show. The event will include obedience and junior showmanship classes.

The AKC would like the National Breed Clubs to participate in the selection of judges for this show by nominating five judges to judge their breed at the show. The list of five judge nominees may be submitted anytime before 6-1-82.

The ITCA has not yet announced the nominating procedures which we will use for our selections. If any ITCA member would like to make a suggestion, please send them in to our Secretary, Nancy Hetzel.

A news release from the Montgomery County Kennel Club:

Montgomery County Kennel Club will hold its Forty-seventh Annual All-Terrier Show at the Temple University Music Festival Grounds, Ambler, PA, on Sunday October 4, 1981. Last year there was a record entry of 1502 dogs. Terrier exhibitors came from 43 states, the District of Columbia and Canada.

The first Montgomery County Kennel Club Show was held in Oct. of 1929 at Fort Washington, Pa. With the exception of the period during the Second World War, the show, traditionally limited to terriers, has been held annually.

Moss-Bpw Dog Show Organization, P. O. Box 22107, Greensboro, NC 27420, again will superintend the show. The entry fee is \$14.00 except puppy classes which are \$12.00. Entries will close September 16, 1981.

In the 25 terrier breeds and varieties, 14 clubs will hold National Specialties and in 6 breeds the entry will be supported by National Clubs. There will be

Sweepstakes in 12 breeds.

#### MY IRISH TERRIER, by Joyce Hart

My Irish Terrier  
With snapping black eyes so full of mischief.  
Sometimes overwhelming with enthusiasm,  
Yet protective, dutiful, and loyal.  
And in the quiet moments  
So gentle.  
So loving.  
But most endearing of all  
She smiles.

SOMETHING TO THINK ABOUT

Shortest Distance Between Points, from The Jersey Daredevil

The Irish Terrier has a straight topline, no dips, no roach, no deviations. A straight line also goes from the skull to the nose, no dips, no domes, no deviations. A straight line also goes from the shoulder to the foot, no dips, no barrels, no deviations.

The Irish Terrier is long and racy, not tall and rangy. It is symmetrical and streamline, not sectioned and stocky.

The Irish Terrier elegantly is put together and walks with great dignity. It has piercing eye-to-eye contact, announcing to all that herein lies "the size of the fight in the dog." Another straight measurement!

#### OBEDIENCE NEWS

Lately, I have heard or read about using some very hard corrective methods in obedience training the Irish Terrier. One report, was that the Instructor used a plastic pipe to hit the dog across the head to get its attention. The other, was that the Instructor urged the handler of the dog to swing him just because the dog wanted to fight with another dog in the class. The two corrections used are much to harsh and should be used only as the last resort. I have found it necessary to swing a dog only once in the nine years that I have been teaching obedience and that was on a dog which attacked his owner and then me. This was a large dog and had to be controled quickly. Never hit the dog over the head with anything....

For those of you in obedience, here's a few corrections that will work on the Irish:

1. A good swift jerk on the collar with a loud "NO".
2. Grip the collar under the dog's neck & shake him very hard back and forth. Again, a loud no in a strong voice.
3. A swift slap under the dog's chin.
4. With the open palm of your hand, hit the dog on the side of his chest forcing the wind from his lungs. This is not as cruel as it sounds and the force is not great enough to knock the dog off his feet.

Try these and the results you will get with obedience training your Irish Terrier will well be worth your time and troubles. Remember, you wanted that Irish Terrier who has been bred for many years to be a tough, rugged little red dog.
